Love these pair, service was effortless, easy to get hold of and arrange details, supplied and furnished 24 tents and a honeymoon tent which was full of exciting lovely little touches. Would highly recommend for any event.

Love these guys! We used Vintents for our wedding – they were super helpful, our guests were able to book directly with them, they were really accommodating with setup and take down and the tents looked great!! Lovely people as well!

Once again we had a great experience using Vintents. We had two tents and both were great. Loads of space and love the fact the tents have been so well looked after that they've survived for many decades! This is the third time we've used Vintents which shows how much we've enjoyed them. Lovely people and a great concept 😊

Vintents are amazing. I have never slept so well at a festival! We used them for the End of the Road Festival and were so happy we chose them.
